"I have booked a 3 BHK Aptment at Harmony Sky Suites, Kasarvadavli, Thane primarily for investment purposes. I was a little apprehensive about the timelines but was pleasantly shocked to realize that 25 floors were completed within a span of 8 months with the construction quality being premium. The marketing team is very cooperative and endearing and I feel good and happy that my investment is in good hands.

I am glad I chose "Sky Suites" as my dream abode in Thane. The location is promising by all means, may it be the speed and quality of construction, the pleasant view of the National Park, appreciation prospects in the area and as an icing on the cake.... a very courteous and friendly team which keeps you updated regularly and is ever willing to engage on all your queries and requests.
